Preamble

For God and Country, we associate ourselves together for the following purposes:

To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a 100% Americanism; to preserve the memories and incidents of our associations in the Great Wars; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.

IN FLANDERS FIELDS

In Flanders Fields the poppies grow
Between the crosses; row on row,
That mark our place; while in the sky
The larks, still bravely singing, fly
Unheard amid the guns.
We are the dead? Short days ago
We lived, felt dawn, new sunsets glow,
Loved and were loved, and now we lie
In Flanders Fields.

Take up our quarrel with the foe.
To you from falling hands we throw
The torch. Be yours to bear it high.
If ye break faith with us who die,
We shall not sleep, though poppies blow
In Flanders fields.
